

Friedrich Baumann new head of sales and customer solutions at MAN

Munich, 20/12/2021

Göran Nyberg takes over Baumann's function as Executive Vice President Commercial Operations at Navistar

The Executive Vice President Commercial Operations of the US commercial vehicle manufacturer Navistar, Friedrich Baumann, will become a member of the Executive Board of MAN Truck & Bus SE in the same function. As the Executive Board member responsible for Sales and Customer Solutions, he succeeds Göran Nyberg, who is taking over Baumann's position at Navistar, which, like MAN, is part of the TRATON GROUP.

"Both Friedrich Baumann and Göran Nyberg are proven commercial vehicle experts with extensive experience and a clear understanding of customer needs in the transport industry. The change in personnel means that our international group of strong commercial vehicle brands is growing ever closer together. MAN, Navistar and thus the TRATON GROUP as a whole will benefit from this change and exchange of experience", says Christian Levin, Chairman of the Supervisory Board of MAN Truck & Bus SE and CEO of TRATON SE.

Alexander Vlaskamp, new CEO of MAN Truck & SE since the end of November, added: "I would like to thank Göran for his successful work over the past years. Under his leadership, the launch of our new truck generation was a real customer success. Göran has also successfully managed the realignment of the Sales division. I am looking forward to working with Friedrich Baumann. With his international experience, strategic understanding, and indepth industry knowledge, he will provide valuable impetus to our new Executive Board team."

Baumann joined the Navistar executive team in April 2018. Initially responsible for corporate strategy and planning, he soon was named head of the aftersales organization, overseeing parts and service, uptime and
